Closing Date: 23 August 2012

Details: Forensic Services is a contemporary evidence based service providing high quality mental health care that is guided by principles of Recovery. The service aims to provide collaborative care involving the consumer, their carers and other key services. At this level it is expected that you will provide high quality interventions and achieve sound outcomes for consumers across the lifespan under minimal supervision, and in a variety of settings. It is also an expectation that you will contribute your expertise to the multidisciplinary team, provide supervision to staff at Levels HP 2 and 1 and support the Team Leader in change processes. You will be required to undertake quality initiatives to promote service delivery at a standard of best practice.

Eligibility/Other Requirements: Tertiary qualifications or equivalent in Social Work or current ACT registration where applicable and/or eligibility for membership of the appropriate professional organisation. Applicants must have a minimum of 12 months paid work experience in a related/relevant organisation/service. Current driver's licence.

Note: On-call duties on a Saturday and Sunday may be required pursuant to a roster system. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.

**Strategy and Corporate
Professional Leadership, Research and Education
Medical and Dental Professional Standards Unit
Administration Officer**

Administrative Services Officer Class 6 \$70,913 - \$81,460, Canberra (PN: 23851)

Gazetted: 16 August 2012

Closing Date: 23 August 2012

Details: Applications are invited for this challenging position in a dedicated and highly motivated team environment within the Medical and Dental Professional Standards Unit (MDPSU). The duties focus on managing the operations of the credentialling and defining the scope of clinical practice process, and include provision of the secretariat function for the Medical and Dental Appointments Advisory Committee (MDAAC). MDAAC is the peak credentialling and scope of clinical practice committee for medical specialists and dentists seeking an appointment or re-appointment to a public health facility in the ACT.

Eligibility/Other Requirements: A thorough knowledge of the *Health Act*, as it applies to scope of clinical practice committees is required.

Note: To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.

Business and Infrastructure
Biomedical Support
Front Line Support Officer (ICU)**

Technical Officer Level 3 \$61,148 - \$69,377, Canberra (PN: 21318)

Gazetted: 16 August 2012

Closing Date: 30 August 2012

Details: Applications are invited for a dedicated and committed individual to join a dynamic, progressive and enthusiastic team within the Biomedical Support branch of ACT Health. Clinical Engineering, as part of Biomedical Support, provides clinical support services to the stakeholders and clients of ACT Health. Biomedical Support comprises of a team of professional and technical experts in the field of Clinical Engineering, Medical Physics and Sterilising. The increased use of technology and biomedical equipment to improve patient outcomes brings the need to support and maintain these devices. This interesting and challenging position is primarily responsible for providing front line support to the clinical staff in the Intensive Care Unit at The Canberra Hospital. This will include setup of medical equipment, trouble-shooting, staff training and other duties. As this role is the liaison between Clinical Engineering and ICU it is essential that the successful candidate has highly developed communication skills.

Eligibility/Other Requirements: An Associate Diploma from an Australian Technical and Further Education (TAFE) institution, or a comparable overseas qualification, which, in the opinion of the Director General, is appropriate to the duties of the office; or relevant experience, training or accreditation, which, in the opinion of the Director General, enable the officer competently to perform the duties appropriate to the office.

Note: To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.
