Our Physiotherapists work closely with patients, carers, referrers, other health care professionals and multidisciplinary teams to achieve safe high quality patient care.

The Pain Management Unit (PMU) is a public tertiary multidisciplinary outpatient service providing treatment to the population of Canberra and surrounding areas. The multidisciplinary team currently consists of pain physicians, a consultant psychiatrist in drug and alcohol, specialists in training in pain and psychiatry, physiotherapists, clinical psychologists, occupational therapy, nursing and administration.

The core business of the PMU is providing outpatient care for patients living with chronic pain. The allied health professionals at the PMU provide one-on-one outpatient appointments and take part in multidisciplinary assessment clinics. In addition, allied health professionals at the PMU provide group education and intervention sessions including; JUMP day (Journey into Understanding and Managing Pain), a range of small group sessions, a medium intensity six week part-time pain program (MIP) and a high intensity full-time two week pain program (HIP). The PMU is a consultative service and includes the Acute Pain Service which provides inpatient services to The Canberra Hospital, including medical outreach services to wards for the management of complex pain presentations. Physiotherapy may also be occasionally requested to consult on the ward in the multidisciplinary care of these patients. This role involves independently managing administrative duties relevant to the physiotherapy caseload, including all bookings and maintaining waiting lists. You will play a key role in delivering high quality patient centred care and associated functions to support service delivery in clinical areas. The overall functions of the Physiotherapist under professional supervision include: Promoting positive client outcomes through the provision of high quality clinical services and health promotion activities in the PMU as part of a multidisciplinary team; promoting individual or group service delivery; applying knowledge, skills, professional judgement and initiative in the delivery of routine services. Clinical supervision, and professional development is provided through team structures, supervision support, competency based assessments and informal and formal professional development opportunities.

Eligibility/Other Requirements: Mandatory: Degree or Diploma in Physiotherapy or equivalent qualifications. Be registered or be eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA). If practising clinically (providing direct clinical care to patients or supervising staff providing direct clinical care to patients) as an allied health professional in any capacity at any time in ACT Health facilities, the person occupying this position will be required to comply with ACT Health credentialing requirements for allied health professionals. Initial credentialing is completed following a pre-offer for a position, prior to any appointment being made. Current drivers licence. Desirable: At least three years work experience. Please note prior to commencement successful candidates will be required to: undergo a pre-employment Police check. Obtain a Compliance Certificate from OMU (Occupational Medicine Unit) relating to assessment, screening and vaccination processes against specified infectious diseases.

Notes: This is a temporary position available for 12 months with the possibility of extension. Part time applicants are encouraged to apply and will be considered for this position. The salary noted above will be paid pro rata for part-time hours. A merit list will be created from this process and may be used to fill full time and part time temporary vacancies which occur over the next 12 months. You will be required to participate in an overtime roster.
