Performance Audit

Senior Auditor - Performance Audit

Senior Auditor \$86,240 - \$105,023, Canberra (PN: 45816)

Gazetted: 30 January 2020

Closing Date: 17 February 2020

Details: The ACT Audit Office is seeking people with excellent analytical, research and investigatory skills to join the Performance Audit team. As a Senior Auditor you will be responsible for assisting in the planning and implementation of performance audits and other reviews and investigations of the operations of ACT public sector entities. You should have an awareness of, and understanding and commitment to, the values of the ACT Audit Office, diversity of culture in the workplace and workplace health and safety principles. The ACT Auditor-General is an independent Officer of the Legislative Assembly. The ACT Audit Office supports the Auditor-General in carrying out the functions of the Office, with a view to promoting accountability in the public administration of the Australian Capital Territory. To achieve this the ACT Audit Office undertakes a range of activities which include conducting performance audits and financial statement audits and considering public interest disclosures received under the *Public Interest Disclosure Act 2012*. The ACT Public Service supports workforce diversity and is committed to creating an inclusive workplace. As part of this commitment, Aboriginal and Torres Strait Islander peoples, people with disability, culturally diverse people and those who identify as LGBTIQ are encouraged to apply.

Eligibility/Other Requirements: Relevant tertiary qualifications are highly desirable. All applicants must have high level spoken English. All ACT Audit Office employees are required to undergo employment screening. This position is a Position of Trust 1 and therefore, if you are selected for this position you will be required to gain and maintain a Baseline National Security Clearance. If this clearance is not successful, your employment in the role will not commence.

Note: A Selection Advisory Committee will conduct shortlisting and a selection process based on written applications and an interview. An order of merit will be established from this selection process and may be used to fill future identical vacancies over the next 12 months.

How to Apply: Applicants are asked to address the Key Selection Criteria located in the Position Description, and provide a current curriculum vitae and the names and contact details for two referees.

Applications should be submitted via the Apply Now button below.

Senior Rehabilitation Case Manager

Administrative Services Officer Class 6 \$85,394 - \$97,732, Canberra (PN: 09382, several)

Gazetted: 04 February 2020

Closing Date: 16 February 2020

Details: If you have a genuine interest in helping people, a belief in the health benefits of good work and a desire to achieve return to work outcomes, then we'd like to hear from you. We are looking for a highly motivated, industrious professional who can communicate with influence, take a client-centric approach and tenaciously work with others to create options to overcome barriers and achieve outstanding rehabilitation and return to work outcomes. The position of Senior Rehabilitation Case Manager centres on the delivery of high quality and proactive rehabilitation and return to work services for the ACT Government. You will provide high-level support and assistance to employees and their workplaces when an employee sustains an injury or becomes ill in the workplace. You will need to demonstrate empathy, critical thinking and resilience, and have a proven record of exercising sound judgment and considered decision-making in complex and sensitive situations. You will have advanced skills in stakeholder engagement, as your ability to establish and maintain strong, productive relationships with internal and external stakeholders is essential. Sophisticated organisational capabilities are a must, as you will effectively manage priorities and meet tight deadlines, day to day. In return, you will be a part of a supportive, high-performing team in a positive and people-centred culture where continuous improvement and learning is encouraged and the contributions of all are valued.

Eligibility/Other Requirements: A qualification in allied health or previous work experience in an occupational rehabilitation role will be highly regarded.

Note: There are several temporary vacancies available for a period of six months with the possibility of permanency. Selection may be based on application and referee reports only. This position will be moving to a new workplace designed for activity-based working (ABW) in 2020. Under ABW arrangements, officers will not have a designated workstation/desk.

How to Apply: Please provide your curriculum vitae, contact details of two referees and a two-page written response to support your application. In your response, please provide evidence of your suitability for the role by including examples that clearly demonstrate your relevant Skills, Knowledge and Behavioural Capabilities.

Applications should be submitted via the Apply Now button below.

Develop and drive workforce policies and programs at a whole-of-government level

Unique, rewarding and career-defining opportunity

Key member of the executive leadership team

Package \$374k - \$389k

The Chief Minister, Treasury and Economic Development Directorate (CMTEDD) leads the ACT Public Service (ACTPS). It provides strategic advice and support to the Chief Minister, Ministers and Cabinet on policy, financial and economic matters, service delivery, whole of government and public service issues. Within CMTEDD, Workforce Capability and Governance is responsible for advising the Chief Minister, the Minister for Employment and Workplace and the Head of Service on policies, programs and initiatives that will underpin and enhance the workforce capability of the ACTPS.

In this pivotal senior role, you will work closely and collaboratively with all ACT Government Directors-General, agency heads and senior executives to ensure that the ACTPS is at the forefront of workforce policy and strategy development and acknowledged as a national leader in this field. You will also be expected to develop strong and enduring relationships with key stakeholders and provide support for the statutory offices of the Public Sector Standards Commissioner and the ACT Remuneration Tribunal.

To be a strong contender, you will need to have an outstanding record of achievement in strategic policy development and implementation, preferably gained in a complex, politically sensitive and operationally diverse public sector organisation. You will also have a good understanding of contemporary and emerging workforce capability and governance issues and an established record of ethical leadership and accountability in public administration. Details: Strategic Policy and Customer branch is responsible for strategic policy development and implementing innovative programs to deliver services and information to the Canberra Community. The Policy and Legislative Solutions (PLS) team is responsible for leading a program of legislative and policy reform.

If you are passionate about making a difference to improve on-ground outcomes in our Nation's Capital and enjoy working on fascinating and complex challenges and co-designing innovative solutions, then this role could be for you.

The Australian Capital Territory Public Service (ACTPS) is a values-based organisation where all employees are expected to embody the prescribed core values of respect, integrity, collaboration, safety, excellence and innovation as well demonstrate the related signature behaviours.

As the Senior Director for PLS, you will be a highly motivated, goal-oriented leader with the proven ability to set a strong direction and achieve results. We are looking for a person who:

Has a passion leading multidisciplinary teams to solve complex, multifaceted problems that may be difficult to define.

Is always looking for ways to accelerate projects and broaden their impact across the workplace.

Drives business development and continuous improvement to meet emerging trends in customer experience and technology.

Is highly articulate and credible at all levels of the organisation and across and outside government.

As a senior leader within (Transport, Canberra and City Services) TCCS, this role requires a person who can inspire, energise and positively influence team and individual outcomes. The role is responsible for supervising, managing and motivating a team and providing appropriate support and guidance. Effective employee engagement skills are a key enabler in the performance of this role as is a values-based leadership style.

This position requires a leader with a strong, considered and engaging people focus to successfully deliver and drive a culture of respect and a desire to achieve customer service excellence. The ideal candidate will possess an innate ability to draw on the right skills in a contextually and environmentally appropriate manner, align team performance and develop capacity to achieve organisational objectives. Model commitment to continual learning, encourage ongoing development and engaging the right people to the right roles.

Eligibility/Other Requirements: The following capabilities form the criteria that are required to perform the duties and responsibilities of the position.

Demonstrated ability to lead a high performing team to be engaged, outcome focused and responsive to stakeholder needs in an environment with competing priorities and tight deadlines.

Highly developed written and oral communication skills with a demonstrated ability to convey complex matters in a clear and concise manner to executives and Government, exercising a high degree of judgement

Demonstrated high level ability and experience in developing and implementing policy and legislative reform in a public sector environment.

High-level liaison, representation and negotiation skills including the ability to coordinate and drive cooperation and collaboration within the Directorate and across government, at all levels.

Understanding of public service values covering ethical standards and a demonstrated commitment to workplace respect, equity and diversity, and workplace health and safety principles and practice.

Must be a permanent resident of Australia.

Relevant tertiary qualifications (such as management, leadership, policy, or legal) or other qualifications and technical experience deemed equivalent.

How to Apply: Applicants are to address the Selection Criteria with a maximum word limit of 350 words per criteria. Applicants are to provide a current curriculum vitae, including two professional referees.

Applications should be submitted via the Apply Button now.

University of Canberra Hospital Specialist Centre for Rehabilitation, Recovery and Research: a dedicated and purpose-built rehabilitation facility, with 140 inpatient beds, 75-day places and additional outpatient services.

Three Walk-in Centres: which provide free treatment for minor illness and injury.

Six community health centres: providing a range of general and specialist health services to people of all ages.

A range of community based health services including Early Childhood Services, Youth and Women's Health, Dental Health, Mental Health, Alcohol and Drug Services.

Mental Health, Justice Health and Alcohol and Drug Services (MHJHADS) provide health services directly and through partnerships with community organisations. The services provided range from prevention and treatment to recovery, maintenance of wellbeing and harm minimisation. The participation of people accessing our services, their families and carers is encouraged in all aspects of service planning and delivery. The Division works in partnership with a range of government and non-government service providers to ensure the best possible outcomes for clients. The Division delivers services at a number of locations, including hospital inpatient and outpatient settings, community health centres, detention centres, other community settings including peoples home. These services include:

- Adult Acute Mental Health Services
- Adult Community Mental Health Services
- Alcohol and Drug Services
- Child and Adolescent Mental Health Services (CAMHS)
- Justice Health Services, and
- Rehabilitation and Specialty Mental Health Services

Overview of the work area and position:

The allied health position is based in the Belconnen Mental Health Team, a multidisciplinary team that is part of Adult Community Mental Health Services (ACMHS). Allied health staff working within MHJHADS are required to support people to achieve their personal recovery goals as identified in their Recovery Plan.

The ACMHS provide services for people aged over 18 years and operate from the five Community Health Centres in the ACT (Gungahlin, Belconnen, City, Phillip, Tuggeranong) with a strong focus on the provision of timely and effective mental health interventions. The program is in the final stages of implementing a new model of care which will improve the responsivity and diversity of services offered to people. The new MoC is underpinned by principles of recovery and aims to:

Increase standardisation of procedures, processes and practices to promote more internal consistency in service delivery and best practice interventions.

Clarify and delineate of the role and service functions to reduce duplication and inefficiencies, reduce administrative burden on staff and promote more direct clinical contact.

Provide optimal treatment for people in their homes and community as effective hospital diversion.

The role involves participating in a team to produce quality outcomes for the Canberra community, discussing planned care interventions in a multidisciplinary environment. This role will involve computer and phone work as well as face to face contact with persons from the community. There may be some driving involved in this role.

This work will primarily be based in the City Community Health Centre, however at times the location of this work may be at other settings in the community such as private residences and or health centres.

The successful applicant will be required to undertake professional development and clinical supervision, participate in quality initiatives, and contribute to multidisciplinary team processes.

Importantly the new MoC will allow greater opportunity for clinicians' to deliver discipline specific interventions, with case-loads reflecting strengths based models of care.

The position reports to a Team Leader and Senior Clinician, who are both based on site in the health centre. The position is also supported by a cohesive multidisciplinary team (including Nurses, Social Workers, Occupational Therapists, Psychologists and Psychiatrists, Allied Health Assistants).

This is an exciting opportunity for someone who may be interested in a working in a program that comprises access, hospital diversion, assertive outreach, and community recovery and therapy services.
