Patient Flow Unit

Patient Flow Unit Administrative Support Officer

Administrative Services Officer Level 4 \$58,870 - \$63,917, Canberra (PN: 6642)

Gazetted: 05 December 2013

Closing Date: 16 December 2013

The Patient Flow Unit (PFU) will allow for improved management of available capacity and thereby enhance patient access to services, with a 24/7 patient care focus. The PFU will use evidence-based, best practice systems for bed management, patient flow and access, with the integration of a workable demand escalation tool to manage capacity, including Nursing Workforce Planning, with both strategic and short-term responsive measures that are clearly defined and actioned according to matched activity.

The key objectives of the PFU are: To promote the vision of an integrated, patient-focused care delivery model, with ownership of care being non-segmental and consistently acknowledged by all disciplines to apply to the complete spectrum of the patient journey; Provide a coordinated approach to service delivery and access using an integrated model of care and facilitating and prioritising the multi-disciplinary team members input into the patients journey; Engagement in activity forecasting and contingency planning, and the coordination of resources to better match the existing demand; An improved integrated model of discharge planning and resource use; Improved intra and inter-hospital coordination and networking for the access to and delivery of cross-territory services to the patients of Calvary Health Care ACT.

The successful candidate will bring to this role: High level interpersonal skills, including demonstrated ability in multidisciplinary communication, negotiation, problem solving and organisational skills; Demonstrated ability in secretariat services, including minute taking, preparation of correspondence, and general office administration tasks; Sound knowledge and understanding of rostering and human resource management in a tertiary hospital; Demonstrated ability in managing work flows, setting priorities, with a high degree of self direction and initiative; High level of computer skills and demonstrated experience in the operation of Microsoft packages, spreadsheet preparation and analysis and data base maintenance. In support, we will provide you generous terms and conditions of employment, on-going professional development and the opportunity to excel.

For further enquiries please contact: Rowena Dyer- Patient Flow Unit Manager Ph: (02) 6264 7080 or Email: rowena.dyer@calvary-act.com.au

Eligibility/Other Requirements: Applicants must address the Selection Criteria

Contact Officer: Rowena Dyer (02) 6264 7080 rowena.dyer@calvary-act.com.au

Operational Support

Clinical School Research Office

Director of Research

Senior Specialist \$199,231, Canberra (PN: 13476)

Gazetted: 12 December 2013

Closing Date: 19 December 2013

The Position: ACT Health is seeking to permanently appoint a Director of Research capable of promoting and leading cutting-edge research in areas related to the goals of ACT Health. The position is a part time position at 20 hours per week. The successful person will possess strong leadership skills, a demonstrated ability to bring people together for individual and collaborative goals, be future focussed, attuned to opportunity and able to take calculated risks. Canberra Hospital is the single tertiary teaching hospital for the Australian Capital Territory and surrounding NSW region, serving a population of half a million. It is a modern 600-bed hospital providing trauma services, most major medical and surgical sub-specialty services, and is the principal teaching hospital of the Australian National University (ANU) Medical School. Strong research links are maintained with the ANU and the University of Canberra. All specialties are represented with the exception of organ transplantation. The hospital has well developed post graduate teaching programs. A fully equipped medical library is available on site with a large collection of hard copy and on line journals and textbooks. Salary, Remuneration and Conditions:

Senior Specialist: \$199,231. Starting salary will be negotiated within this band for the successful applicant, depending on their experience and expertise. Relevant parties are currently negotiating future pay rises that will increase these base salaries.

Eligibility/Other Requirements: Registration as a Medical Practitioner with AHPRA and relevant specialist College Fellowship. Possession of higher research qualifications is highly desirable.

Women, Youth and Children

Paediatrics

Registered Nurse

Registered Nurse Level 2 \$78,157 - \$82,990, Canberra (PN: 33319)

Gazetted: 12 December 2013

Closing Date: 19 December 2013

Details: A new and exciting position has been created within the Paediatric Ambulatory Care Service. If you are a Registered Nurse with a minimum of three years experience in a paediatric environment this could be the career direction you are looking for. This developing role will include coordination and management of the diagnostic and chronic care needs of children and families with an endocrine disorder (except diabetes). It will involve patient centred communication and coordination amongst a multidisciplinary team, developing a sound knowledge base on paediatric endocrine disorders and associated education skills, data base management, liaison with drug company representatives, government regulatory bodies and professional associations, and participation in research activities. The position is based within the Paediatric Outpatient Clinic and will be part of the clinic nursing team.

Qualifications/Eligibility Requirements: Registered or eligible for registration with the Australian Health Practitioner Regulation Agency. Minimum of three years full-time equivalent post registration within a Paediatric environment is highly desirable.

Note: The successful applicant may be required to be registered under the *Working with Vulnerable People (Background Checking) Act 2011*. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.

Quality and Safety

Clinical Governance Unit

Project Manager

Registered Nurse Level 2 \$78,157 - \$82,990, Canberra (PN: 30681)

Gazetted: 12 December 2013

Closing Date: 19 December 2013

Details: If you are a good communicator with a commitment to providing excellence in quality and safety this is a job for you. As a project manager working in the HealthCARE improvement Unit you will be primarily responsible for the ACT Audit of Surgical Mortality (ACTASM). This is a local project where you will be responsible for working closely with clinicians and the Royal College of Surgeons to provide coordination for the development, management, reporting and evaluation of ACTASM across the Territory. You will require a breadth of knowledge and experience of project management, auditing, data entry and analysis.

Eligibility/Other Requirements: Registered or eligible for registration with the Australian Health Practitioner Regulation Agency.

Note: This is a part-time position at 16 hours per week. Selection may be based on application and referee report alone. The successful applicant may be required to be registered under the *Working with Vulnerable People (Background Checking) Act 2011*. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application

Chronic Disease

Physiotherapist/Exercise Physiologist

Health Professional Level 3 \$77,710 - \$81,995 (up to \$86,165 on achieving a personal upgrade), Canberra (PN: 33411)

Gazetted: 12 December 2013

Closing Date: 9 January 2014

Details: A permanent part-time position (0.6 FTE) for an Exercise Physiologist or Physiotherapist (Health Professional Level 3) is available with the Chronic Disease Management's adult Obesity Management Service. Located in the Belconnen Extended Care Health Centre (BECHC), this newly established multidisciplinary team is due to commence clinical services in early 2014. The successful applicant will have sound clinical skills, excellent communication skills, experience in research or quality improvement and the ability to work flexibly within a multidisciplinary team. This is an excellent opportunity to be part of the development of an exciting new service.

Eligibility/Other Requirements: Appropriate degree or diploma in Exercise Science or the equivalent from a recognised tertiary institution. Eligibility for accreditation with National Association Exercise and Sports Science Australia (ESSA). Current driver's licence is essential. Appropriate Degree or Diploma in Physiotherapy, or recognised equivalent qualification and eligibility for AHPRA Physiotherapy Registration.

Note: This is a part-time position at 22:03 hours a week. The successful applicant may be required to be registered under the *Working with Vulnerable People (Background Checking) Act 2011*. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.

Nuclear Medicine Technologist

Health Professional Level 3 \$77,710 - \$81,995 (up to \$86,165 on achieving a personal upgrade), Canberra (PN: 28992, expected vacancy)

Gazetted: 12 December 2013

Closing Date: 2 January 2014

Details: The Canberra Hospital is a tertiary level health facility and a teaching hospital of the Australian National University (ANU) Medical School and The University of Canberra Nursing and Allied Health Schools. The Nuclear Medicine section has four gamma cameras, two single head and two dual head, one of which has SPECT/CT capabilities. The section also has close relationships with the PET/CT and Bone Mineral Density services and the successful applicant may be required to work in these areas. The Department offers a comprehensive range of diagnostic and therapeutic procedures including paediatric, oncology and cardiac studies making the work both challenging and rewarding. This position is available for an enthusiastic Nuclear Medicine clinician with experience in developing and promoting standards in a professional team.

Eligibility/Other Requirements: Bachelor of Medical Radiation Science (Nuclear Medicine) or recognised equivalent. Registration with the Medical Radiation Practice Board of Australia. Radiation licence issued from the ACT Health Protection Service.

Note: This position is required to participate in an on call roster. The successful applicant may be required to be registered under the *Working with Vulnerable People (Background Checking) Act 2011*. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.

Senior Sleep Scientist

Health Professional Level 3 \$77,710 - \$81,995 (up to \$86,165 on achieving a personal upgrade), Canberra (PN: 32937)

Gazetted: 12 December 2013

Closing Date: 23 January 2014

Details: The Department is seeking a suitably qualified and experienced individual to work in a dynamic multidisciplinary team within the Sleep Disorders Unit (SDU). The role involves performing diagnostic and treatment sleep polysomnography with analysis of these studies. In addition, the individual will provide education on treatment strategies as part of clinical care. The successful applicant will also contribute to various quality assurance programs and assist in training of staff. The role will also support daily management of the SDU. For employees in most ACT Health positions, salary packaging with fringe benefits tax-free threshold up to \$9,095 is available. Employees can also package beyond the FBT-free threshold up to 75% of gross salary on non-FBT items. Additional salary packaging benefits are also available such as meal entertainment and accommodation.

Eligibility/Other Requirements: Bachelor of Science or equivalent (Physiology, Allied Health, Health Sciences). Significant experience working in a Sleep Laboratory is essential. Professional credential from the Board of Registered Polysomnographic Technologists/or post graduate study in the sleep medicine field and previous experience working with paediatric patients is desirable. The successful applicant must be able to work a 12 hour overnight shift on regular basis. Previous experience working with paediatric patients.

Note: The successful applicant may be required to be registered under the *Working with Vulnerable People (Background Checking) Act 2011*. To complete your application you must prepare responses to the Selection Criteria as a document to be uploaded and included with your application.
