Superannuation Guarantee – Employee Contribution Rate (Non-CSC funds only)

The ACT Government is required to pay a minimum of 12.5% (this contribution of 12.5% is based on your gross ordinary time earnings) into the fund of your choice. If you choose to contribute, per pay, an additional 3% or more into your fund (as a pre-tax or post-tax via ACT Govt payroll), the ACT Government will contribute a further 1% per pay, bringing the overall employer contribution to 13.5%.

The additional 1% government employer superannuation contribution does not apply to members of the CSS and PSSdb superannuation schemes. However, all ACT Government employees have the option to contribute employee superannuation contributions in pre-tax dollars through the ACT Government Salary Packaging Scheme. Note though that members of the CSS and PSSdb super schemes cannot salary package pre-tax superannuation to their respective CSS or PSSdb superannuation funds, but these members do have the option to salary package pre-tax superannuation contributions to an alternative compliant superannuation account.
