Financial Audit

Senior Auditor (Financial Audit)

Senior Auditor \$85,091 - \$103,624, Canberra (PN: 11185, Several)

Gazetted: 11 October 2019

Closing Date: 21 October 2019

Details: Vision: An accountable and highly performing ACT Public Sector.

Role: To provide an independent view to the ACT Legislative Assembly and the community on the accountability, efficiency and effectiveness of the ACT Public Sector.

Values: Independence, Integrity, Professionalism, Respect, Learning and Innovation.

The ACT Auditor-General is an independent Officer of the ACT Legislative Assembly. The ACT Audit Office supports the Auditor-General in carrying out the functions of the Office, with a view to promoting public accountability in the public administration of the Australian Capital Territory.

The ACT Audit Office conducts independent financial and performance audits on ACT Government agencies and entities that receive ACT Government funding or resources. The results of these audits are reported to the ACT Legislative Assembly and the community.

The ACT Audit Office is seeking suitable applicants with the relevant skills and experience to assist us in achieving that purpose. This includes people with good accounting and/or auditing skills, communication and interpersonal skills, and an ability to objectively analyse issues and evaluate evidence.

The Senior Auditor under the guidance of the Assistant Director, and/or Director is responsible for:

- Planning and completing assigned audits of financial statements and reporting the results of these audits, including the supervision of audit teams consisting of auditors, contractors and consultants;
- Delivering high quality work that is efficiently completed in accordance with Australian Auditing Standards and the ACT Audit Office's financial audit methodology;
- Assisting in the effective administration of the ACT Audit Office as required; and
- Maintaining effective and constructive relationships with auditees and providing professional and technical audit and accounting advice.

The ACT Audit Office offers a range of flexible working conditions including the ability to work from home to balance staff circumstances with the needs of the Office. The Office makes significant investment in developing and supporting staff by providing them with learning and development opportunities including a career path. Staff are also provided with training and support to obtain relevant professional post-graduate qualifications.

Eligibility/Other Requirements: Relevant tertiary professional accounting, audit and information technology qualifications are highly desirable. Completion, or progress towards completion, of relevant professional post-graduate qualifications is also highly desirable (e.g. CPA, CA and CISA).

How to Apply: Please submit a cover letter of no more than 1,000 words outlining your relevant skills, knowledge and experience against the Selection Criteria. Applicants are also asked to provide a current curriculum vitae and provide the names and contact details of two referees (one referee who is a current/recent supervisor and one referee who is a staff member who reports to you). Referees will be contacted with your prior approval.

Applications should be submitted via the Apply Now button below.

Join ACT Education as a classroom teacher. We are looking for teachers who specialise in Maths, English and Art. As Australia's best rewarded and most compact school system you can explore all that teaching has to offer in Canberra.

Teachers – Maths – Arts – English.

We are looking for Secondary Teachers who want to make a difference and bring their careers to Canberra.

The improved lifestyle that comes from living in Canberra won't be the only benefit from the move, your

teaching career will also benefit. With great access to professional development, secondments onto projects and face to face networking opportunities our geographically compact nature means we can deliver more to our Teachers.

Within the Secondary School setting there are three specialisation that we are now activity seeking.
Maths teachers – As a critical part of the Directorates STEM program our Maths teachers are given some of the best professional support in the country. This demonstrated through the creation of the Academy of Future Skills which is specifically designed to help build teacher capabilities within STEM. The Academy creates a combination of in school pedagogical support and dedicated facilities to deliver the Australian Curriculum. It further enables our STEM teachers to collaborate shoulder to shoulder with expert educators to produce the best possible outcomes for our students.

Arts teachers – our Arts teachers deliver a wide range of programs including dance, photography, visual arts, drama, media and the instrumental music program. There is a thriving Arts culture within the ACT school system. This culture is displayed throughout the year with the crescendo event being the annual “*Step into the Limelight*” showcase and gala. Further supporting our Arts culture are professional learning workshops help at the ANU School of Music and the ANU School of Art & Design

English teachers – the English teachers within the ACT Directorate are given substantial support to deliver improved educational outcomes. This approach of setting up teachers to succeed is shown through programs like the Scaffolding Literacy. This is an 18-month professional learning program that has reached over 200 English teachers so far and targets improved writing skill for students. These types of effective, face to face professional development programs is one of the advantages of our geographically compact directorate.

Professional Experience

Demonstrated capacity to develop and deliver effective, engaging and differentiated learning programs within the Australian Curriculum and/or the Board of Senior Secondary Studies.

Assistant Cabinet Liaison Officer

Administrative Services Officer Class 6 \$84,257 - \$96,430, Canberra (PN: 45430)

Gazetted: 14 October 2019

Closing Date: 28 October 2019

Details: The Environment, Planning and Sustainable Development Directorate (EPSDD) is on the quest for a skilled operator who thrives in an environment where coordination is key. Our Directorate reports to seven of the eight Ministers in Cabinet and our portfolio responsibilities are diverse, dynamic and numerous – we play a key role in shaping Canberra's future – and we are informed, connected and innovative. Our Cabinet Liaison Officer roles are the glue between EPSDD, its Ministers' Offices and the Cabinet Office. If you pride yourself on strong liaison, coordination skills and attention to detail, we encourage you to apply. We want someone to join our 'can do' team with the ability to simplify processes, identify efficiencies and deliver a service that is second to none. If you have a strong Cabinet background and are looking for a different way to apply your skills, this could be your calling. If you're a team player, we'd like to hear from you in a two-page pitch that addresses the criteria for the role and demonstrates the skills and behaviours desired of an EPSDD-ite.

Eligibility/Other Requirements: Experience with the Objective and Trim records management systems and a solid understanding of the portfolio functions of EPSDD and Cabinet processes is highly desirable.

Note: The position is for commencement as soon as possible. An order of merit will be established from this selection process and may be used to fill future identical vacancies over the next 12 months. Selection may be based on application and referee reports only. This position will be moving to a new workplace designed for activity-based working (ABW) in 2020. Forestry and Fire Management

Senior Project Manager

Senior Professional Officer Grade C \$106,043 - \$114,146, Canberra (PN: 45404)

Gazetted: 16 October 2019

Closing Date: 30 October 2019

Details: The Parks and Conservation Service (PCS) is part of the Environment, Planning and Sustainable Development Directorate (EPSDD) and implements a broad range of natural and cultural resource management programs both on and off reserve that support sustainable environmental conservation land management and heritage outcomes. Fire, Forests and Roads is the section within PCS responsible for the co-ordination and implementation of fire management programs across the PCS estate and unleased Territory lands. It is also responsible for the rural fire trail network and the management of the ACT's commercial forest plantations. ACT commercial forest plantations are managed to ensure social, environmental and water benefits are continuously enhanced with land management costs offset through the sale of timber products. The forestry management team of ACT Parks and Conservation is committed to a continuous improvement framework. This framework is the first step towards PCS seeking Forest Certification. PCS Plantation managers intend to re-establish Ingledene Forest as a nationally approved Emissions Reduction Fund Project. The Australian Carbon Credit Units generated by this project will help meet the ACT Government's emissions reduction targets under the ACT's Climate Strategy. The project will further add 490 Ha of land to the ACT's softwood plantation estate adding 280,000 tonnes of harvestable timber. It will also activate a new recreation hub for the south of Canberra by providing a forest

environment for a host of recreational activities, similar to the current offering provided by Kowen Pine Forest in Canberra's north-east. We are seeking a highly motivated self-driven professional to assist in the delivery of the Ingledene Carbon Forest capital works projects for the Parks and Conservation Service, with a focus on system upgrades to allow for carbon accounting and environmental certification.

Eligibility/Other Requirements: Mandatory tertiary qualifications apply to this position. Applicants must be eligible for membership of the Institute of Foresters of Australia (IFA). A pre-employment medical check is required. Prior to commencing this role, a current registration issued under the *Working with Vulnerable People (Background Checking) Act 2011* is required. For further information on Working with Vulnerable People registration refer to - https://www.accesscanberra.act.gov.au/app/answers/detail/a_id/1804.

In addition, applicants must:

Be able and prepared to undertake rostered fire duty and participate in bushfire suppression, prescribed burning activities and training activities as required.

Be able to meet the appropriate firefighting fitness standards to at least the moderate level of the national firefighting task based assessment (assessed annually).

Be prepared to wear a uniform and to work a shift roster, weekends, public holidays or evening shifts at any PCS worksite on an "as needs" basis

Possess a manual drivers' licence.

Note: This is a temporary project position with funding for a four year term. Under the ACT Public Sector Technical and Other Professional Enterprise Agreement, bushfire related activities, including bushfire suppression and rostered standby, are mandatory components of the position. Any offer of employment to the position will be conditional upon successful completion of a nationally recognized firefighting task-based fitness assessment. Selection may be based on application and referee reports only. This position will be moving to a new workplace designed for activity-based working (ABW) in 2020. Under ABW arrangements, officers will not have a designated workstation/desk.

How to Apply: Please submit a written application of no more than two pages, addressing the Selection Criteria, along with your current curriculum vitae, listing two referees and their contact details.

Details: About us

Canberra Health Services (CHS) is a values-led Directorate. Our values guide our day-to-day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work.

CHS is committed to the delivery of person and family centred, safe and high quality care in a sustainable health system. This will be achieved with key strategic priorities which includes ensuring the delivery of ACT Health's Quality Strategy and government priorities, and aligning them with ACT Health's Territory Wide Services Framework. Canberra Hospital and Health Services provides acute, sub-acute, primary and community-based health services to the ACT and surrounding region.

The key strategic priority for acute services is to deliver timely access to effective and safe hospital care services. The hospital delivers a full range of medical, surgical and obstetric services, including complex procedures in areas such as cardiac surgery, neurosurgery and neonatal intensive care.

Strong links exist between hospital and community-based services, as many of the operational divisions deliver services across the continuum of care to ensure continuity of care for patients. The community based services of CHS include Early Childhood, Youth and Women's Health; Dental Services, Rehabilitation and Community Care; Mental Health, Alcohol and Drug Services. In addition, Justice Health Services are provided within the Territory's detention facilities.

CHS is a partner in teaching with the Australian National University, the University of Canberra and the Australian Catholic University.

Mental Health, Justice Health and Alcohol and Drug Services (MHJHADS) provide health services directly and through partnerships with community organisations. The services provided range from prevention and treatment to recovery, maintenance of wellbeing and harm minimisation. The participation of people accessing our services, their families and carers is encouraged in all aspects of service planning and delivery. The Division works in partnership with a range of government and non-government service providers to ensure the best possible outcomes for clients.

The Division delivers services at a number of locations, including hospital inpatient and outpatient settings, community health centres, detention centres, other community settings including peoples home. These services include:

Rehabilitation and Specialty Services Mental Health Services

Adult Acute Mental Health Services

Adult Community Mental Health Services

Alcohol and Drug Services

Child and Adolescent Mental Health Services (CAMHS), and

Justice Health Services

Overview of the work area and position

The Access Mental Health Team (AMHT) aims to improve the mental health and well-being of people who are residing in the Australian Capital Territory by facilitating access to high quality, integrated mental health

services. The AMHT provides a centralised access process with the aim of providing an identified service entry point to undertake 24 hour triage and a thorough mental health assessment that will link people with the services that most appropriately meets their needs. This will ensure that people are able to access the right mental health service at the right time. AMHT aims to optimise recovery through the provision of an excellent community mental health care service. AMHT incorporates the guidelines and principles outlined in the Adult Community Model of Care, ensuring that the teams practice is current and is keeping pace with the changes occurring in the greater MHJHADS teams. The AMHT function is critical to identify and mitigate potentially life threatening risks for people calling the service.

The successful registered nursing candidate will work under the supervision of senior clinicians to conduct phone and office based triage assessments, of persons who require mental health care. This work will primarily be based in the Belconnen Health Centre, however at times the location of this work may be at other settings in the community such as private residences and or health centres.

The role involves participating in a team to produce quality outcomes for the Canberra community, discussing planned care interventions in a multidisciplinary environment. This role will involve computer and phone work as well as face to face contact with persons from the community. There may be some driving involved in this role and the successful candidate will be expected to work on a seven day per week shift work roster.

The position reports to a Team Leader who is based on site in the health centre and is supported by a cohesive multidisciplinary team (including Nurses, Social Workers, Occupational Therapists, Psychologists and Psychiatrists, Allied Health Assistants).

Eligibility/Other Requirements:

Mandatory:

Tertiary qualifications in Nursing with current registration with the Australian Health Practitioner Regulation Agency (AHPRA).

University of Canberra Hospital Specialist Centre for Rehabilitation, Recovery and Research: a dedicated and purpose-built rehabilitation facility, with 140 inpatient beds, 75-day places and additional outpatient services.

Four Walk-in Centres: which provide free treatment for minor illness and injury.

Six community health centres: providing a range of general and specialist health services to people of all ages.

A range of community based health services including Early Childhood Services, Youth and Women's Health, Dental Health, Mental Health, Alcohol and Drug Services.

Overview of the Work Area and Position

The Justice Health Services, Dhulwa Mental Health Unit (DMHU) and the Extended Care Unit (ECU) provides high quality inpatient mental health care to people from 18 to 65 years of age.

The Dhulwa Mental Health Unit (DMHU) is a secure mental health facility that first opened in November 2016. DMHU provides 24-hour, contemporary, evidence-based clinical mental health care for people who require secure inpatient treatment. DMHU provides a therapeutic and recovery-based approach, focused on individually tailored treatment programs to maximise mental health care outcomes for patients. The service aims to provide collaborative care involving the person, their carers and other key services.

The Extended Care Unit (ECU) is a specialist mental health facility adjacent to Calvary Hospital in Bruce. The ECU sits within the Stepped Care Model of mental health care, providing medium term residential care for people who require rehabilitation and support to transition into the community setting. The ECU provides a range of contemporary, community focused rehabilitation interventions, programs and services.

DMHU offers 10 acute care beds and 15 rehabilitation beds and the ECU has 5 beds for community transition. Both units are managed by the Justice Health Services (JHS) program in the MHJHADS Division. In this position it is expected you will complete assessments, planning, implementing and care of clients. You will also be required to undertake professional development and supervision, participate in quality initiatives and contribute to the multidisciplinary team processes and the supervision of Enrolled Nurses. The successful applicant will be proactive, flexible, adaptive and comfortable with a changing working environment.

Eligibility/Other Requirements:

Mandatory:

Current registration or eligibility for un-conditional registration, without notations or conditions on practice with the Nursing and Midwifery Board of Australia through the Australian Health Practitioner Regulation (APHRA).

Minimum 12 months nursing experience within a forensic, acute or mental health setting.

Current driver's licence

Desirable:

Co-morbidity or Alcohol and Drug Service experience.

Prior to commencement successful candidates will be required to:

Undergo a pre-employment National Police check.

Be registered under the *Working with Vulnerable People (Background Checking) Act 2011*.

Note:

There are several temporary full-time and part-time positions available for up to a six months with a commencement date in November. Successful applicants are expected to work a rotating roster including morning, evening and night duty and to be available to work on any day of the week.

Our Role: to be a health service that is trusted by our community

Canberra Health Services (CHS) is focussed on the delivery of high quality, effective, person centred care. It provides acute, sub-acute, primary and community-based health services, to the Australian Capital Territory (ACT)—a catchment of approximately 400, 000 people. It also services the surrounding Southern New South Wales region which includes the Bega Valley, Bombala, Cooma-Monaro, Eurobodalla, Goulburn, Mulwaree, Palerang, Queanbeyan, Snowy River, Upper Lachlan Shire and the Yass Valley.

CHS administers a range publicly funded health facilities, programs and services including but not limited to: The Canberra Hospital: a modern 600-bed tertiary hospital providing trauma services and most major medical and surgical sub-specialty services.

University of Canberra Hospital Specialist Centre for Rehabilitation, Recovery and Research: a dedicated and purpose-built rehabilitation facility, with 140 inpatient beds, 75-day places and additional outpatient services.

Four Walk-in Centres: which provide free treatment for minor illness and injury.

Six community health centres: providing a range of general and specialist health services to people of all ages.

A range of community based health services including Early Childhood Services, Youth and Women's Health, Dental Health, Mental Health, Alcohol and Drug Services.

Overview of the work area and position:

Mental Health, Justice Health and Alcohol and Drug Services (MHJHADS) provide health services directly and through partnerships with community organisations. The services provided range from prevention and treatment to recovery, maintenance of wellbeing and harm minimisation. The participation of people accessing our services, their families and carers is encouraged in all aspects of service planning and delivery. The Division works in partnership with a range of government and non-government service providers to ensure the best possible outcomes for clients.

The Division delivers services at a number of locations, including hospital inpatient and outpatient settings, community health centres, detention centres, other community settings including peoples home. These services include:

Rehabilitation and Specialty Services

Adult Acute Mental Health Services

Adult Community Mental Health Services

Alcohol and Drug Services

Child and Adolescent Mental Health Services (CAMHS), and

Justice Health Services

The Access Mental Health Team (AMHT) aims to improve the mental health and well-being of people who are residing in the Australian Capital Territory by facilitating access to high quality, integrated mental health services. The AMHT provides a centralised access process with the aim of providing an identified service entry point to undertake 24 hour triage and a thorough mental health assessment that will link people with the services that most appropriately meets their needs. This will ensure that people are able to access the right mental health service at the right time. AMHT aims to optimise recovery through the provision of an excellent community mental health care service. AMHT incorporates the guidelines and principles outlined in the Adult Community Model of Care, ensuring that the teams' practice is current and is keeping pace with

the changes occurring in the greater MHJHADS teams. The AMHT function is critical to identify and mitigate potentially life-threatening risks for people calling the service.

The successful registered nursing candidate will work under the supervision of senior clinicians to conduct phone and office-based triage assessments, of persons who require mental health care. This work will primarily be based in the Belconnen Health Centre, however at times the location of this work may be at other settings in the community such as private residences and or health centres.

The role involves participating in a team to produce quality outcomes for the Canberra community, discussing planned care interventions in a multidisciplinary environment. This role will involve computer and phone work as well as face to face contact with persons from the community. There may be some driving involved in this role and the successful candidate will be expected to work on a seven day per week shift work roster.

The position reports to a Team Leader who is based on site in the health centre and is supported by a cohesive multidisciplinary team (including Nurses, Social Workers, Occupational Therapists, Psychologists and Psychiatrists, Allied Health Assistants).

Eligibility/Other Requirements:

Mandatory:

Be registered or be eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA).

Current driver's licence

Desirable:

Post Graduate Qualification in Mental Health Nursing or working towards such.

Prior to commencement successful candidates will be required to:

Undergo a pre-employment National Police check.

Obtain a Compliance Certificate from OMU (Occupational Medicine Unit) relating to assessment, screening and vaccination processes against specified infectious diseases.

Comply with CHS credentialing and scope of clinical practice requirements for Registered Nurses.

Administrative Services Officer Class 6 \$84,257 - \$96,430 , Canberra (PN: 40714, several)

Gazetted: 16 October 2019

Closing Date: 30 October 2019

Details: Do you want to help to shape, and contribute to, a therapeutic community healing and rehabilitation service for Aboriginal and Torres Strait Islander people? The ACT Health Directorate is recruiting staff to work at the Ngunnawal Bush Healing Farm. Our ideal candidate has an understanding of Ngunnawal culture and the respective traditions and cultures of all Aboriginal and Torres Strait Islander people living in the ACT region. The person we recruit will have great interpersonal and communication skills and skills that equip them to work in a therapeutic community with marginalised clients. You will be self-directed and work productively in a team environment. You will be resilient and flexible, and most of all, passionate about what you do.

Eligibility/Other Requirements: Previous experience working within Aboriginal and Torres Strait Islander communities. Current driver's licence. Prior to commencement successful candidates will be required to: Undergo a pre-employment National Police check and have a current registration issued under the Working with Vulnerable People (Background Checking) Act 2011 is required. For further information on Working with Vulnerable People registration refer to -

https://www.accesscanberra.act.gov.au/app/answers/detail/a_id/1804. This is a designated position in accordance with s42, Discrimination Act 1991 and is only open to Aboriginal and/or Torres Strait Islander people. Aboriginal and/or Torres Strait Islander heritage is considered essential and therefore a Confirmation of Aboriginality may be requested.

How to Apply: In two pages or less tell us why you want the role and outline your Skills, Experience and Suitability based on the requirements of the role as set out in the Selection Criteria and Position Description. This could include telling us about an achievement that you are most proud of. Please submit a current curriculum vitae and the contact details of two referees with a thorough knowledge of your work performance and outlook. Please ensure that one of the referees is your current or immediate past supervisor. You should also be aware you may be asked to provide further referee details.

Applications should be submitted via the Apply Now button below.

Health Systems, Policy and Research

Public Health Protection and Regulation

Health Protection Service

Assistant Director- Projects

Pharmacist Level 5 \$124,891 - \$140,596, Canberra (PN: 45334)

Gazetted: 15 October 2019

Closing Date: 22 October 2019

Details: The Public Health, Protection and Regulation Division is headed by the Chief Health Officer who is appointed under the Public Health Act 1997 and fulfils a range of statutory responsibilities and delegations under various public health legislation. The Division is responsible for development of population health strategic initiatives in ACT in the key areas of protection, prevention, and Territory-wide interventions. The Division is also responsible in exercising statutory responsibilities on behalf of the Chief Health Officer to prevent and manage risks to the health of the ACT population, including planning and management of public health incidents and emergencies. The Chief Health Officer is also required to report biennially on the health of the ACT population on specific health-related topics, which is done through the Chief Health Officer's Report. The Health Protection Service (HPS) manages risks and implements strategies for the

prevention of, and timely response to, public health incidents. This is achieved through a range of regulatory and policy activities relating to areas such as food safety, communicable disease control, environmental health, emergency management, pharmaceutical products, tobacco control and analytical services.

The Pharmaceutical Services Section (PSS) has statutory and non-statutory responsibilities to promote the safe use of medicines in the ACT community. These responsibilities are stipulated under the Medicines, Poisons and Therapeutic Goods Act 2008 and Public Health Act 1997. The section is responsible for regulating controlled medicines prescribing and supply in the ACT, in the interest of minimising the risks associated with their abuse, misuse and diversion. This includes assessing applications from prescribers for approval to prescribe controlled medicines, and monitoring supplies from pharmacies through its prescription monitoring system. This position is to provide subject matter expertise and lead operational change for the ACT's adoption national Real Time Prescription Monitoring (RTPM). The project will include replacement of the HPS's legacy Drugs and Poisons Information System (DAPIS) and integration with the national RTPM system developed by the Australian Government. The ACT Public Service supports workforce diversity and is committed to creating an inclusive workplace. As part of this commitment, Aboriginal and Torres Strait Islander peoples, people with disability, culturally diverse people and those who identify as LGBTIQ are encouraged to apply.

Eligibility/Other Requirements: Be registered or have applied for registration as a pharmacist with the Australian Health Practitioner Regulation Agency (AHPRA). Current driver's licence. Information and Communication Technology (ICT) project experience in a Healthcare or Government setting. Qualifications in Project or Change management.

Note: This is a temporary position available from the 1 January 2020 for a period of three months with the possibility of extension up to two years. Selection may be based on application and referee reports only. An order of merit will be established from this selection process and may be used to fill future identical vacancies over the next 12 months.

How to Apply: Applicants should provide a response to the Selection Criteria of no more than three pages, plus a curriculum vitae with names of two referees. Referees will not be contacted without the applicant's consent.

Applications should be submitted via the Apply Now button below.
