CIT Student and Academic Services

CIT Student Support

Education Advisor, Disability

Teacher Level 1 \$69,477 - \$92,704, Canberra (PN: 51787, several)

Gazetted: 31 January 2017

Closing Date: 14 February 2017

Details: Provide CIT staff comprehensive advice and information on the needs of students with a disability, develop relevant staff development activities and arrange for reasonable accommodation for students with disabilities within the Institute. Case manage students with a disability as required. This position requires a highly motivated person, with a very wide range of communication skills in dealing with people with a disability and with equity groups.

CIT is committed to building an inclusive workplace through a culturally diverse workforce. As part of this commitment we strongly encourage and welcome applications from Aboriginal or Torres Strait Islander peoples and/or people with a disability.

Eligibility/Other Requirements: Refer to the ACT Public Sector Canberra Institute of Technology (Teaching Staff) Enterprise Agreement 2013 – 2017, sub-Clause 40.

New Teacher Level 1.1 to Teacher Level 1.6 must hold or complete a Certificate IV Training and Assessment, TAE40110 qualification or its successor, within the first twelve (12) months of commencement of employment; and at commencement are required to hold a minimum of an Enterprise Skill Set as described in Clause 118 of the *Standards for RTOs 2015*. Teacher Level 1.7 must hold a full Training and Assessment Certificate IV level qualification (such as a TAE40110 or its successor) and a Diploma of Vocational Education and Training (or its successor). Teacher Level 1.8 and above must hold a full Training and Assessment Certificate IV level qualification (such as a TAE40110 or its successor) and an Advanced Diploma in Adult Learning and Development (or its successor). Prior to commencing in this role, a current registration issued under the Working with Vulnerable People (Background Checking) Act 2011 will be required. For further information on Working with Vulnerable People registration refer to - https://www.accesscanberra.act.gov.au/app/answers/detail/a_id/1804. Industry Experience: In accordance with sub-Clause 40.10 of the ACT Public Sector Canberra Institute of Technology (Teaching Staff) Enterprise Agreement 2013 – 2017. All teachers at Teacher Level 1 or Level 2 are required to have relevant industry experience and vocational qualifications equal to that being taught, or as specified in the applicable training package or accredited curriculum specifications. Desirable: Current driver's licence. Qualification relevant to disability.

Note: These positions are for temporary filling from as soon as possible for 12 months with the possibility of extension up to two years. Temporary employment offered as a result of this advertisement may lead to

permanency/promotion as per the Public Sector Management Standards, Section 14 – Direct appointment of employee – general, and Section 20 – Direct promotion – general and CIT Enterprise Agreements.

The division of Cancer, Ambulatory and Community Health Support provides a comprehensive range of cancer screening, assessment, diagnostic and treatment services and palliative care through inpatient, outpatient and community settings. The division is also responsible for the administration support to Ambulatory and Community Health centres across ACT Health. Under the broad management of the Palliative and Supportive Care Clinical Nurse Consultant you will play a key role in the co-ordination of care for patients undergoing treatment of their prostate cancer including a key supportive role for both patients and their families. Canberra Hospital and Health Services provides acute, sub-acute, primary and

community-based health services to the ACT and surrounding region. The key strategic priority for acute services is to deliver timely access to effective and safe hospital care services. The hospital delivers a full range of medical, surgical and obstetric services, including complex procedures in areas such as cardiac surgery, neurosurgery and neonatal intensive care. Strong links exist between hospital and community-based services, as many of the operational divisions deliver services across the continuum of care to ensure continuity of care for patients. The community based services of ACT Health include Early Childhood, Youth and Women's Health; Dental Services, Rehabilitation and Community Care; Mental Health, Alcohol and Drug Services. In addition, Justice Health Services are provided within the Territory's detention facilities. ACT Health is a partner in teaching with the Australian National University, the University of Canberra and the Australian Catholic University. Overview of the work area and position: The division of Cancer, Ambulatory and Community Health Support provides a comprehensive range of cancer screening, assessment, diagnostic and treatment services and palliative care through inpatient, outpatient and community settings. The division is also responsible for the administration support to Ambulatory and Community Health centres across ACT Health. Under the broad management of the Palliative and Supportive Care Clinical Nurse Consultant you will play a key role in the co-ordination of care for patients undergoing treatment of their prostate cancer including a key supportive role for both patients and their families.

Eligibility/Other Requirements: Be registered or be eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA). Prior to commencement successful candidates will be required to undergo a pre-employment Police check. Be registered under the *Working with Vulnerable People (Background Checking) Act 2011*.

Acute Support Service

Advanced Practice Physiotherapist

Health Professional Level 4 \$98,977 - \$106,542, Canberra (PN: 17462)

Gazetted: 02 February 2017

Closing Date: 16 February 2017

Details: About us: ACT Health is a values-led Directorate. Our values guide our day to day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work. Canberra Hospital and Health Services provides acute, sub-acute, primary and community-based health services to the ACT and surrounding region. The key strategic priority for acute services is to deliver timely access to effective and safe hospital care services. The hospital delivers a full range of medical, surgical and obstetric services, including complex procedures in areas such as Cardiac Surgery, Neurosurgery and Neonatal Intensive Care. The ACT Health Division of Medicine provides a range of medical specialties and allied health services. A strong emphasis is placed across all sections on accessible and timely care, delivered to a high standard of safety and quality. This is underpinned by the Division's commitment to research and training. The Division works in partnership with professional colleagues, consumers, and a range of government and non-government service providers to ensure the best possible outcomes for patients. Overview of the work area and position: Suitably qualified applicants are sought for a temporary full-time Advanced Practice Physiotherapist position in Emergency Department and Orthopaedics within Acute Support Physiotherapy team. Acute Support Physiotherapy Services is based within the Division of Medicine and provides physiotherapy services to a range of clients in acute inpatient setting and specialised outpatient services to patients of Canberra Hospital. Our Physiotherapists work closely with patients, carers, referrers, other health care professionals and multidisciplinary teams to achieve safe high quality patient care. Under supervision, you will play a key role in delivering high quality patient centred care and associated functions to support service delivery in clinical areas. Clinical supervision, and professional development is provided through team structures, supervision support, competency based assessments and informal and formal professional development opportunities.

Eligibility/Other Requirements: Degree or Diploma in Physiotherapy or equivalent qualifications. Be registered or have applied for registration with the Australian Health Practitioner Regulation Agency (AHPRA). Masters level qualification in a relevant clinical field; if practising clinically (providing direct clinical care to patients or supervising staff providing direct clinical care to patients) as an allied health professional in any capacity at any time in ACT Health facilities. Comply with ACT Health credentialing requirements for allied health professionals. A current driver's licence. Previous emergency department and/or orthopaedic screening clinic experience; a minimum of five years clinical experience post entry level qualifications and a minimum of three years experience in relevant specialist area; agreement to complete the Advanced Practice Training programme including mandated external

coursework is desirable. Prior to commencement successful candidates will be required to undergo a pre-employment Police check.

Note: This is a temporary position available for a period of 12 months. Successful applicant will be required to participate in a shift or overtime roster. Applicants wishing to work part-time hours may be considered and are encouraged to apply.

Senior Social Worker Dhulwa

Health Professional Level 3 \$85,967 - \$90,583 (up to \$93,671 on achieving a personal upgrade), Canberra (PN: 37372)

Gazetted: 02 February 2017

Closing Date: 16 February 2017

Details: About us: ACT Health is a values-led Directorate. Our values guide our day to day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work. Overview of the work area and position: The Dhulwa Mental Health Unit (DMHU) is a newly established, purpose built, secure mental health inpatient unit operated by Justice Health Services on behalf of ACT Mental Health, Justice Health and Alcohol and Drug Services (MHJHADS). It offers a contemporary, evidence based service, providing high quality mental health care that is guided by principles of Recovery. The Dhulwa Mental Health Unit will provide a safe and structured environment with 24 hour clinical support for people with moderate to severe mental illness who cannot be safely cared for in a less restrictive environment. This will include mental health consumers who are, or who are at risk of becoming, involved with the criminal justice system. The service aims to provide collaborative care involving the consumer, their carers and other key services. All staff have a responsibility to maintain the safety and security of consumers, staff and visitors within this secure environment. As a Senior Social Worker, it is expected that you will contribute your expertise as an integral member of the multidisciplinary team and that you will provide, under limited supervision, high quality care to achieve sound outcomes for consumers within a therapeutic secure environment. In addition to well developed skills in mental health practice, the Social Worker will provide ongoing and

continuous care and engagement for people receiving treatment in the DMHU, providing a link with external supports, family and other government and non-government agencies. The Social Worker will have a key role in co-ordinating and supporting discharge transition planning from the DMHU. You will be required to undertake professional development and supervision, participate in quality initiatives and contribute to multidisciplinary team processes.

Eligibility/Other Requirements: Approved tertiary qualifications in Social Work. Membership of the Australian Association of Social Workers. Minimum five years clinical experience. Comply with ACT Health credentialing requirements for allied health professionals. Relevant post graduate qualifications in Mental Health or Forensic Mental Health, recent professional experience within a Mental Health or Forensic Mental Health setting, and a current driver's licence is desirable. Prior to commencement successful candidates will be required to undergo a pre-employment Police check. Be registered under the *Working with Vulnerable People (Background Checking) Act 2011*.

Note: Applicants should be able and willing to work extended hours on occasion to facilitate social or family activities outside of normal working hours if required. Applications for part-time work may be considered for eligible candidates. Please indicate on your application if you are applying for part-time only.

Adult and Community Mental Health Services
Clinical Manager Adult Community Mental Health Services (ACMHS)
Registered Nurse Level 1 \$62,609 - \$83,634, Canberra (PN: 24678)

Gazetted: 02 February 2017

Closing Date: 16 February 2017

Details: About us: ACT Health is a values-led Directorate. Our values guide our day-to-day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work. Overview of the work area and position: Mental Health, Justice Health, Alcohol and Drug Services (MHJHADS) provide health services directly and through partnerships with community organisations. The services provided range from prevention and treatment to recovery, maintenance of wellbeing and harm minimisation. The participation of people accessing our services, their families and carers is encouraged in all aspects of service planning and delivery. The Division works in partnership with a range of government and non-government service providers to ensure the best possible outcomes for clients. The Division delivers services at a number of locations, including hospital inpatient and outpatient settings, community health centres, detention centres, other community settings including peoples home. These services include: Rehabilitation and Specialty Mental Health Services; Adult Acute Mental Health Services; Adult Community Mental Health Services; Alcohol and Drug Service; Child and Adolescent Mental Health Services (CAMHS), and Justice Health Services. Adult Community Mental Health Services (ACMHS) have an exciting opportunity for a Registered Nurse-Level 1 to join as a clinical manager. The ACMHS are a contemporary evidence-based service that provides high quality mental health care that is guided by principles of Recovery. The service aims to provide collaborative care involving the consumer, their carers and other key services. Under supervision, it is expected that you will develop competencies and skills to provide sound interventions to consumers of the service and participate in quality initiatives to promote optimal service delivery. The position is supported by a cohesive multi-disciplinary team.

Eligibility/Other Requirements: Registered or eligible for registration with the Australian Health Practitioner Regulation Agency (AHPRA). Current driver's licence. Prior to commencement successful candidates will be required to undergo a pre-employment Police check. Be registered under the *Working with Vulnerable People (Background Checking) Act 2011*.

Note: The ACMHS are currently undergoing a redesign process that may influence the placement of staff within this program.

Sleep Scientist

Health Professional Level 2 \$60,871 - \$83,563, Canberra (PN: 24824)

Gazetted: 02 February 2017

Closing Date: 16 February 2017

Details: About us: ACT Health is a values-led Directorate. Our values guide our day to day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work. Overview of the work area and position: The Sleep Disorders Unit which is part of the Department of Respiratory and Sleep Medicine based in the Division of Medicine provides 24 hour clinical laboratory services to patients in sleep physiological measurement. The role involves evening, overnight and day shifts on a rotating roster basis as part of a multidisciplinary team that provides high quality service in keeping with national accreditation standards conducting sleep polysomnography and therapy interventions directly to patients. In addition, the role will assist in education of treatment strategies as part of an ongoing clinical care model.

Eligibility/Other Requirements: Tertiary qualifications or equivalent in Health Science/Human Physiology and eligibility for membership of the appropriate professional organisation. Must hold a current driver's licence. Shift Work - able to work up to a 12 hour overnight shift as part of a rotational roster. Current knowledge and recent experience conducting and the analysis of sleep physiology measurement are essential. Comply with ACT Health credentialing requirements for allied health professionals. Post-graduate qualifications in Sleep Medicine and/or professional credential from the Board of Registered Polysomnographic Technologists is desirable. Prior to commencement successful candidates will be required to undergo a pre-employment Police check, be registered under the *Working with Vulnerable People (Background Checking) Act 2011*.

Note: This is a temporary position available for a period of 12 months. The increment level for this position will be determined by the successful applicant's qualifications, current knowledge and relevant experience.

Roads and Infrastructure

City Presentation

Licensing and Compliance

Senior Manager Licensing and Compliance

Senior Officer Grade A \$135,384, Canberra (PN: 12940)

Gazetted: 31 January 2017

Closing Date: 7 February 2017

Details: The ACT Government's Transport Canberra and City Services Directorate (TCCS) plans, develops and delivers municipal services for the people of the ACT. With a vision of a beautiful, liveable and sustainable Canberra, the Directorate is very much a 'hands-on' organisation and its services affect every ACT resident, every day. The opportunity exists to contribute to TCCS' City Presentation Branch as Senior Manager, Licensing and Compliance. In this role, you will lead a team of dedicated staff focused on ensuring the safety and amenity of the ACT community. In particular, the team is responsible for the welfare and regulation of animals, including domestic and non-native animals, urban ranger services and licenses and permits for a wide range of activities involving the use of public land.

Reporting to the Director, City Presentation, the Senior Manager, Licensing and Compliance is a key member of City Presentation's leadership group. Applicants will have the ability to administer legislation and deliver programs and regulatory services in a way that enhances community understanding and engagement. Demonstrable skills in policy and strategy development are required. High order people and change management, communication, negotiation, representational and interpersonal skills will characterise the successful candidate. Relevant experience in local government may be an advantage.

Eligibility/Other Requirements: Relevant tertiary qualifications and/or extensive experience in a regulatory or compliance context are desirable.

Note: Applications, which may be in Word or PDF format, must include a brief cover letter quoting the title of the position and reference number P12940, your resume, a statement of claims against the selection criteria and contact details for two referees.

Contact Officer: Stephen Alegria 6207 9833 stephen.alegria@act.gov.au

Applicants should note that a Joint Selection Committee (JSC) established in accordance with the collective/enterprise agreement provisions will assess all applications for this position.
