#### Access Canberra

##### Projects Governance and Support

##### Records Team

##### Records and Systems Officer

##### **Administrative Services Officer Class 5 \$79,253 - \$83,888, Canberra (PN: 04281)**

Gazetted: 23 April 2020

Closing Date: 30 April 2020

Details: Access Canberra is working to set a new benchmark for service delivery in the ACT - and is changing the way we do business, for the better! To support this objective, we're doing some work to

ensure the foundations of our records management are robust but remain flexible enough to meet the needs of the organisation into the future.

With that in mind, the Access Canberra Records Management Team is looking for a person who is excited about the prospect of using technology to make things easier, loves to fix problems before they occur and enjoys the challenge inherent in system based problem solving and the delivery of records management advice and support to Access Canberra Teams.

Access Canberra has adopted Activity Based Working (ABW) and applicants for this role will be comfortable getting out and about to get to know the teams we support, wherever they are working.

If you:

Understand why customer service plays a big part in providing credible and valued support.

Are an organised and dynamic individual who enjoys working with technology to solve business problems.

Are interested in systems administration and technical support.

Are excited by the opportunity to participate in change and help us on our journey to create a digital first, paperless environment.

Understand the importance of records management but would like to see a more contemporary approach applied.

Then this is a great opportunity for you.

Chief Minister, Treasury and Economic Development Directorate (CMTEDD) supports workforce diversity and is committed to creating an inclusive workplace. As part of this commitment, Aboriginal and Torres Strait Islander peoples, people with disability and those who identify as LGBTIQ are encouraged to apply.

Note: This position is temporary available from 18 May 2020 until 01 January 2021 with the possibility of extension and/or permanency. An order of merit will be established from this selection process and may be used to fill future identical vacancies over the next 12 months. Due to current social distancing guidelines interviews, where required, may take place online via Webex video conference. This position is based in a workplace designed for Activity Based Working (ABW). Under ABW arrangements, officers will not have a designated workstation/desk.

How to Apply: Suitability for this position will be assessed based on the skills, knowledge and behaviour required to successfully deliver against the duties and responsibilities of the role as set out in the Position Description. Your written application should be presented in the form of a 'pitch for the role'. This should respond to the following two statements and be no longer than two pages.

Detail your greatest achievements in the last five years and how they relate to this position and its duties. Outline your ability, ingenuity, experience and qualifications and how they make you the best person for this role.

Please submit your pitch with a current curriculum vitae and the contact details of at least two referees.

Touching base with the contact officer to discuss the duties of the position is highly recommended.

*Applications should be submitted via the Apply button below.*

Gazetted: 30 April 2020

Closing Date: 15 May 2020

About us: Canberra Health Services is a values-led Directorate. Our values guide our day-to-day actions, behaviours, decisions and communications to successfully deliver the best services to meet the needs of our community. They were developed by us, for us and are unique to our work. Canberra Hospital and Health Services provides acute, sub-acute, primary and community-based health services to the ACT and surrounding region. The key strategic priority for acute services is to deliver timely access to effective and safe hospital care services. The hospital delivers a full range of medical, surgical and obstetric services, including complex procedures in areas such as cardiac surgery, neurosurgery and neonatal intensive care. Strong links exist between hospital and community-based services, as many of the operational divisions deliver services across the continuum of care to ensure continuity of care for patients. The community based services of Canberra Health Services include early childhood, youth and women's health; dental services, rehabilitation and community care; mental health and alcohol and drug services. In addition, justice health services are provided within the Territory's' detention facilities. Canberra Health Services is a partner in teaching with the Australian National University, the University of Canberra and the Australian Catholic University.

Overview of the work area and position: Forensic Mental Health Services is a contemporary evidence based service providing high quality mental health care that is guided by principles of Recovery. The service aims to provide collaborative care involving the consumer, their carers and other key services. The Forensic Mental Health Service (FMHS) is a specialist mental health assessment and treatment service for consumers who have a history of, are currently involved with, or are at high risk of becoming involved with, the criminal justice system. FMHS provides mental health care across the lifespan and across a range of settings, including a centralised community health facility, youth and adult custodial facilities, off campus community outreach and court settings. FMHS is one united service with five distinguishable yet integrated service components as follows:

Community Forensic Mental Health Services incorporating:

Forensic Consultation and Intervention Service (FoCIS)

ACT Fixed Threat Assessment capacity (FTAC)

Mental Health Court Assessment and Liaison Service (MHCALS)

Custodial Mental Health Services (CMHS) incorporating:

Child and Adolescent Custodial MHS at Bimberi Youth Justice Centre

Adult Custodial MHS at the Alexander Maconochie Centre

Clinicians working with FMHS will be supported via structured clinical supervision, a collaborative and multidisciplinary team environment and through professional development. Professional development will be provided with regards to forensic frameworks, psychometrics and therapeutic interventions.

Clinicians may be provided with the opportunity to undertake specialist tasks such as forensic risk consultations, court assessments and therapeutic interventions including addressing criminogenic factors. Clinicians are employed by FMHS and will therefore be skilled across the distinct areas within the service.

#### **Health Professional Level 2 \$66,096 - \$90,737, Canberra (PN: 40712)**

Gazetted: 30 April 2020

Closing Date: 8 May 2020

Details: Canberra Health Services (CHS) is focussed on the delivery of high quality, effective, person centred care. It provides acute, sub-acute, primary and community-based health services, to the Australian Capital Territory (ACT)—a catchment of approximately 400, 000 people. It also services the surrounding Southern New South Wales region which includes the Bega Valley, Bombala, Cooma-Monaro, Eurobodalla, Goulburn, Mulwaree, Palerang, Queanbeyan, Snowy River, Upper Lachlan Shire and the Yass Valley. CHS administers a range publicly funded health facilities, programs and services including but not limited to: The Canberra Hospital: a modern 600-bed tertiary hospital providing trauma services and most major medical and surgical sub-specialty services; University of Canberra Hospital Specialist Centre for Rehabilitation, Recovery and Research: a dedicated and purpose-built rehabilitation facility, with 140 inpatient beds, 75-day places and additional outpatient services; Four Walk-in Centres: which provide free treatment for minor illness and injury; Six community health centres: providing a range of general and specialist health services to people of all ages; and A range of community-based health services including early childhood services, youth and women's health, dental health, mental health and alcohol and drug services.

Overview of the work area and position:

MHJHADS provide health services directly and through partnerships with community organisations. The services provided range from prevention and treatment to recovery and maintenance of well-being and harm minimisation. The participation of people access our service is encouraged in all aspects of service planning and delivery. MHJHADS works in partnership with individuals, carers and a range of government and non-government service providers to ensure the best possible outcomes for clients. MHJHADS delivers services at a number of locations, including hospital inpatient and outpatient settings, community health centres, detention centres, other community settings including peoples home. These services include: Adult Acute Mental Health Services; Adult Community Mental Health Services; Alcohol and Drug Services; Child and Adolescent Mental Health Services; Justice Health Services; Rehabilitation and Specialty Mental Health Services

This psychologist position is based in the Assertive Community Outreach Service. The Assertive Community Outreach Service (ACOS) is a dynamic and supportive multidisciplinary team providing assertive community outreach treatment to people experiencing and living with a severe mental illness and complex needs in a community setting.

ACOS operates an extended hours service, operating seven days a week from 08:30 to 21:00 and the position holder will be required to work a rotating roster including morning and evening shifts.

The ACMHS provide services for people aged over 18 years and operate from the five Community Health Centres in the ACT (Gungahlin, Belconnen, City, Phillip, Tuggeranong) with a strong focus on the provision of timely and effective mental health interventions. The program is in the final stages of implementing a new model of care which will improve the responsiveness and diversity of services offered to people. The new model of care is underpinned by principles of recovery and aims to: Increase standardisation of procedures, processes and practices to promote more internal consistency in service delivery and best practice interventions; Clarify and delineate of the role and service functions to reduce duplication and inefficiencies, reduce administrative burden on staff and promote more direct clinical contact; Provide optimal treatment for people in their homes and community as effective hospital diversion. The successful applicant will be required to work as a member of the multidisciplinary team providing

assessment and management of people experiencing mental illness. The applicant will be highly motivated to engage in consultative and educative practices with families, carers and other agencies. The successful applicant will also be required to undertake professional development and clinical supervision, participate in quality initiatives, and contribute to multidisciplinary team processes. Importantly the new model of care will allow greater opportunity for clinicians' to deliver discipline specific interventions, with case-loads reflecting strengths based models of care. The position reports to a Team Leader who is based on site in the health centre and is supported by a cohesive multidisciplinary team (including Nurses, Social Workers, Occupational Therapists, Psychologists and Psychiatrists, Allied Health Assistants). This is an exciting opportunity for someone who may be interested in working in a program that comprises access, hospital diversion, assertive outreach, and community recovery and therapy services.

#### **Infrastructure Delivery Partners**

#### **Commercial Project Management**

#### **Infrastructure Principal Project Manager**

#### **Infrastructure Officer 5 \$152,724, Canberra (PN: 17091)**

Gazetted: 29 April 2020

Closing Date: 13 May 2020

Details: Do you like a challenge and want to be a key part of a high performing team who work to support a safe and vibrant city? Then this opportunity is for you! Major Projects Canberra was established on 1 July 2019 to lead the procurement and delivery of the Territory's infrastructure program. It has two main components:

Procuring and delivering infrastructure projects designated by the Chief Minister into Major Projects Canberra. Typically, those designated projects will have significant complexity and scale. Major Projects Canberra will bear budget accountability for those projects and have accountability to the relevant Minister responsible for those projects. The first projects designated into Major Projects Canberra are: the SPIRE Canberra Hospital project, the City to Woden light rail (as well as finalisation of the Light Rail Stage 1 delivery phase); the CIT campus development; and the Canberra Theatre redevelopment; and Delivering other whole-of-government infrastructure projects in partnership with other Directorates. The infrastructure branches of Social, Commercial and Civil provide advice to Directorates, Agencies, Territory Entities and Treasury in relation to the planning and business case approval process for the majority of the capital works program, and deliver the design, construction and post completion phases of the capital works projects. This includes buildings such as education facilities, emergency services facilities and justice facilities; health infrastructure projects; capital upgrades of ACT Government building assets; landscaping projects; and civil works such as roads, stormwater, street-lighting; transport and works associated with land release. The three branches manage approximately \$600 million of capital works each year. Under limited direction and in line with corporate objectives, you will apply high order infrastructure project management and procurement skills to the delivery of a broad range of design and construction projects for the ACT Government. This position reports to an Infrastructure Project Director in IDP and may lead a small team of people. The ACT Public Service supports workforce diversity and is committed to creating an inclusive workplace. As part of this commitment, Aboriginal and Torres Strait Islander peoples, people with disability, culturally diverse people and those who identify as LGBTIQ are encouraged to apply.

Eligibility/Other Requirements: A Degree or Diploma in a relevant technical field (Engineering, Architecture, Project Management or Construction Management) and demonstrated relevant experience; and/or Trade certification with significant building and infrastructure and/or project management experience.

Note: An order of merit will be established from this selection process and may be used to fill future identical vacancies over the next 12 months. Selection may be based on application and referee reports only.

How to Apply: If the above role sounds like you and you want to be part of a dynamic and dedicated team please submit no more than two pages addressing the capabilities and your suitability for the role, a current curriculum vitae and contact details of two referees.
