DIRECTORATE OVERVIEW

The City and Environment Directorate (CED) brings together the people, services and systems that shape Canberra's future. We are a new directorate with a bold purpose: to deliver smarter, more connected services that respond to the needs of our Territory and community.

CED was established to align planning and transport, improve efficiency of development decisions, support environmental management, consolidate city services operations, and strengthen how government connects with the community. Our work spans the natural and built environments, city and transport services, and regulatory and customer service functions.

We are here to:

- Deliver streamlined, customer-focused services.
- Align planning, transport and environmental stewardship.
- Consolidate operations for greater efficiency and impact.
- Make government services more accessible, transparent and trusted.

At CED, we put people and place at the centre of everything we do. Whether shaping policy, maintaining public spaces, designing transport networks or supporting regulatory access, our people contribute to a connected, inclusive and resilient Canberra.

DIVISION OVERVIEW

The Environment, Heritage and Parks Division delivers the following services and functions for the ACT government and community:

- Nature conservation policy, planning and delivery.
- Heritage conservation policy and regulation.
- Environment protection policy.
- Catchment management, water policy delivery and water regulation.
- Conservation research and evaluation.
- Management of Parks and Reserves.
- Fire and Forest Management.
- Biosecurity and agriculture policy and delivery; and
- Traditional Custodian Engagement.

The Environment Portfolio also supports ACT Natural Resources Management and ACT Heritage. ACT's natural and cultural environment provides ecosystem services clean air, water and important from an ecological and landscape perspective. It is important we continue to manage and protect our environment both from the nature conservation perspective and through the environment protection activities.

BUSINESS UNIT OVERVIEW

The Parks and Conservation Service (PCS) is responsible for the management of the ACT's protected area network including National Parks, Nature Reserves, water catchments, commercial softwood forests and rural lands. The Parks and Conservation Service implements a broad range of management programs both on and off reserve that support sustainable environmental, wildlife and heritage outcomes. It protects and conserves the natural resources of the ACT and promotes appropriate recreational, educational and scientific uses of our parks and reserves.

The Parks and Partnerships section provides management responsibilities for Canberra Nature Park, Namadgi National Park, Murrumbidgee River Corridor, Tidbinbilla Nature Reserve, Molonglo River Park, Googong Foreshores and the Lower Cotter Catchment. The day-to-day management of the forestry and rural areas within the eastern part of ACT is also a responsibility of the section.

POSITION PURPOSE

The Director of National Parks and Catchments provides management responsibilities for Namadgi National Park, Murrumbidgee River Corridor, Tidbinbilla Nature Reserve and the Lower Cotter Catchment. The day-to-day management of land under forest plantation and rural areas within the western part of ACT is also a responsibility of the Region.

DUTIES / RESPONSIBILITIES

With minimal direction:

- Lead and manage the operations of National Parks and Catchments and deliver programs and projects to time and budget;
- Implement natural resource management, asset protection and visitor programs and coordinate the delivery of best practice on ground services for Canberra's reserve and off reserve areas;
- Lead and motivate staff and develop and implement programs associated with workplace diversity, Industrial democracy, workplace health and safety and staff development and training;
- Contribute to the strategic management of the branch as a member of the Senior Management Team;
- Represent the Directorate and Branch and establish, develop and maintain positive partnerships and relationships with key external bodies, including other ACT Government agencies, stakeholders, community organisations, commercial enterprises and interstate counterparts;
- Undertake incident management duties, including participation in fire standby, fire suppression and fire training;
- Understand and work within the ACTPS Code of Conduct and ACTPS values of respect, integrity, collaboration and innovation, and model behaviour consistent with the ACTPS Respect Equity and Diversity framework.
- This position involves direct supervision of staff.
- Maintain records in accordance with the Territory Records Act 2002.

SELECTION CRITERIA (CAPABILITIES)

Provide concise evidence of your **skills, knowledge and behaviours** against the duties above and the ACTPS Shared Capability Framework.

1. Experience leading park, reserve and catchment operations to achieve conservation, visitor and land management outcomes.
2. Demonstrated knowledge of alpine and sub-alpine ecosystems, water catchments, biodiversity conservation, cultural heritage, and landscape-scale environmental management within protected areas.
3. Ability to plan, prioritise and deliver complex programs and projects within budget, timeframes and approved resources.

4. Strong stakeholder engagement, communication and negotiation skills, including building productive partnerships with Traditional Custodians, community organisations, government agencies and other stakeholders.
5. Proven leadership of diverse and remote teams, fostering capability, accountability, wellbeing and a positive workplace culture.
6. Strategic thinking, sound judgement and commitment to workplace health and safety, emergency management, continuous improvement and ACTPS values.

COMPLIANCE REQUIREMENTS / QUALIFICATIONS

Mandatory:

- This position requires a Working with Vulnerable People Check.
- Possess a manual drivers' licence.
- Experience undertaking incident management duties including participation in fire standby, suppression and training.
